

Research Workshop

Fragmentation in Air Traffic and its Impact on ATM Performance

14–15 May 2019 in Budapest, Hungary

Conference venue: Hungarian Academy of Sciences, Budapest, Széchenyi István square 9, 1051 Hungary

Practical information

We are pleased to welcome you at the Research Workshop for “Fragmentation in Air Traffic and its Impact on ATM Performance”.

We hope that the workshop will serve as an opportunity for all of us to learn more about fragmentation in air traffic that is a major driver to harmonise European air traffic management procedures and practices. We believe that with the wide-spread knowledge represented by the academics and professionals you will have the chance to participate in interdisciplinary and constructive discussions on the impact of fragmentation in aviation.

Below, you will find some of the practical information you may need during your stay in Budapest.

BADGES

All participants have to be registered. For the registered invitees badges will be distributed with a conference pack at the registration desk.

All participants are kindly requested to keep the badge seen at all times during the conference. The registration desk will remain open during the entire meeting and the hostesses there will help you with technical questions.

CLOACKROOM

You are kindly asked to leave your coats and luggage in the secured and dedicated cloakroom which is located next to the registration desk and free to use. After the first day of the program – in case you join us to the social event – please, take your luggage with you to the boat where it will be stored during the event. To help identification of luggage we will provide you with stickers on the spot.

CERTIFICATE OF ATTENDANCE

We are pleased to provide you with a certificate of attendance for this workshop upon specific request, that will be sent out electronically within a week. Should you have such a request, please write an e-mail to Mrs. Noemi Cservenyi (ncs@integra.dk).

WIFI AND TAXI

Free WiFi internet access will be provided at the venue. More information will be shared at the conference.

During the whole event we can assist you with ordering taxis – if needed, please contact our hostesses.

SOCIAL EVENT & NETWORKING

For networking opportunities and for your comfort you will be served with coffee breaks and lunches during the workshop. The social event is organised for the evening of 14 May. After the conference programme finishes on the first day we will walk together directly to the BUDAPEST boat located on the Danube river, a few meters walking distance from the venue of the workshop. The event will last approximately until 10 pm.

CONTACTS

The staff at the registration desk will assist you during the conference with any queries you may have.

Should you need any further assistance, please, contact us:

Mr. Vilmos Somosi, mobile: +36 30 299 15 98

Mr. Matthias Whittome, mobile: +49 173 673 94 92
